Jurassic Classic Time Trial at John Bryan

August 9th - August 10th, 2025

Venue Description

Jurassic Classic Time Trial at John Bryan

John Bryan State Park in Yellow Springs, OH, will play host to our Time Trial event! We have two different courses: middle school (2.9 miles) and high school student athletes (4.2 miles), and we are excited to watch them go, go, go! The fast, twisty course begins with a short climb through the grass, where riders will loop past the Pit Zone for maximum stoke-fueling before heading into the woods.

The course features numerous flowy turns with some gradual climbs. Skillful cornering will be paramount! Pit Zone and Race HQ will be located at the front of the park by the start chute. There are numerous spectator opportunities along the course, accessible from the parking lots within the park.

Enter the park at the John Bryan State Park Mountain Biking Area (red pin on left) and head towards the Parking lots (blue pin). Equipment Drop off will be located by the John Bryan Mountain Bike Trail (red pin).

Parking

- Vehicles must park in the designated areas identified with signs at the venue and as shown on the venue map. Parking volunteers will be on-site to assist with parking
- All vehicles must abide by the instructions of parking volunteers and/or league staff. Any violators risk imposition of penalties against their respective team
- Handicap parking is available adjacent to the Finish/Pit Zone
- Vehicles must use the designated Pit Zone loading/unloading area and immediately move to designated parking areas after

Parking is indicated by the purple boxes. Parking 1 is located next to the playground and Parking 2 is near the camp office.

Registration

Online registration closes on 8/5/2025 (Tuesday) at 11:59 PM

- There is NO race day registration (sorry!)
- Students must be league-registered and “race-ready” in order to participate
- **DO NOT LOSE YOUR RACE PLATE!** Students will receive a race plate for the race series to be used for all races, so please take care of them. Race plates have chips on the back and require care to avoid damage. There is a **\$15.00** fee to replace race plates if lost, stolen, or forgotten. Replacement plates are issued at the registration tent.

Volunteering at our Events

Race day would NOT be possible without the incredible work of our volunteers. It takes a “village” to put on quality and safe youth mountain bike races. Many parents and cycling enthusiasts find that getting involved with our events is a fun and rewarding experience.

Saturday and Sunday volunteer positions are [NOW available!](#)

We know some positions can look complex and possibly overwhelming for first-time volunteers. Rest assured ALL of our volunteer positions are FUN and require no previous experience and our Race Staff are with you every step of the way. You will feel confident and well prepared for your task. Chip Timing Info

All riders will receive a permanent number plate with chip timing transponder on the backside. Riders will use the same plate for the entire race series, so please remove this number plate before mounting the bike for transport to prevent loss. **Replacement number plates will be available at the registration tent for \$15.00**

Refund/Weather Policy

Below are the guidelines for how the league will conduct races in the event of challenging weather. Our primary considerations are the safety of riders, support staff and spectators, and potential damage to the venue and trails. Any decisions regarding canceling, postponing or altering race start times, lap lengths, number of laps, etc. will be made jointly by league staff and the land manager. Often this decision cannot be made until the morning of the race due to the unpredictable and rapidly changing nature

of severe weather. The league will make every attempt to notify the racing population as soon as possible via email, social media and website updates.

Handbook: Ohio Policies and Rules

Ohio Specific Scoring:

With the open category we will operate under a scoring procedure similar to that of the existing rule.

For Division 2 teams, 4 scores are summed to form the team score. The highest score from Girls and Boys categories will be pulled out to form the base score. The next highest scores, regardless of category, will then be added to form the total team score. The team scoring is illustrated below with G representing the Girl's score, B representing the Boy's score and H representing the next highest score.

For Division 1 teams, 8 scores are summed to form the team score. The two highest scores from Girls and Boys categories will be pulled out to form the base score. The next highest scores, regardless of category, will then be added to form the total team score. The team scoring is illustrated below with G representing the Girl's score, B representing the Boy's score and H representing the next highest score.

Open Category Information

The open category is an all inclusive category for student athletes that is independent of gender. For example, we have Girls 6th grade, Boys 6th grade, and Middle School Open.

Who is the open category for? Anybody who wants to participate in that category (Note: the category is for NICA student athletes only)

Why race in the open category?

- Siblings that want to race together
- Siblings that don't want to race together
- The student athlete does not identify as male or female
- The open category fields are typically smaller, some student athletes might prefer the smaller fields to the larger ones.
- A student athlete wants to be more competitive in the field

To register for the Open Category please have the head coach or team director email jen@ohiomtb.org and cc Registration@ohiomtb.org with the student athlete name and category they are petitioning into (Middle School or High School Open)

If you have any questions regarding the open category please contact jen@ohiomtb.org.

Coaches Meeting

A mandatory head coaches meeting will be held on **Sunday, 8/10/25 at 8:30 AM** at the finish line arch. Each team **MUST** have 1 representative present at the meeting.
